Annual Conference:

The KIDSTEM Annual Conference was held in Liverpool in September 2008. We were privileged to have esteemed speakers from around the World and the meeting was deemed to be a great success.

All KIDSTEM trainees produced posters for the meeting and Peter Hauser won the prize for the best poster by a Post-doc.

The next Conference will take place in Edinburgh from 29th – 31st July 2009. Abstract forms and registration details will be available from the KIDSTEM Conference website (www.kidstemconference.co.uk) early in the New Year.
